

# A Smart Investment

The Little Elm Chamber of Commerce represents a growing, thriving, and diverse business community. As the voice of the businesses, the Little Elm Chamber works to accomplish for you what no individual or single company can do alone.

Our Chamber's strength lies in our membership, which serves as a resource for ideas, manpower, and talents from which our community can draw. Understanding that the individual Member's interests and needs are diverse, we strive to plan programs and develop benefits that will meet all Chamber members' needs.
